

HPS Solidflex
Traction

Brawler HPS Telehandler

PREMIUM SOLID

Brawler HPS (High Performance Solid) Telehandler tires are designed to perform in demanding environments.

The wide, flat tread design provides excellent stability and the counter-weight required by telehandlers on rough terrain. The Solidflex design features patented elliptical apertures to deliver a comfortable ride prolonging operating time for equipment which results in reduced equipment and operator fatigue.

Main Benefits

- Excellent traction
- Durable cut-resistant rubber compound eliminates downtime caused by flats and sidewall cuts
- Press on to flat-based wheels
- Deep lug tread design offers three times more wear than a pneumatic tire
- Steel base rings ensure strict rim adherence

Application

Tire Features

*only available with Solidflex tires
